

## Oil Gas Safety Council

Dear Infuze,

The Oil & Gas Safety Council would like to commend INFUZE HSE Training & Services for being the first active training provider in Philippines who is continually delivering our courses at a high level. In a few months of being accredited with OGSC you have managed to train and deliver courses not just in the Philippines but also internationally.

A handwritten signature in blue ink, appearing to be 'R. M.', is positioned above the name of the OGSC Chairman.
